

Sheraton New Orleans

Saturday, April 21		
8:00am - 5:00 pm	Couch Pit University * <i>(by invitation only)</i> 8:00-4:00 pm, Maurepas, 3rd	Coating 101 Course* Gallery, 1st Floor
6:00 pm - 10:00 pm	Couch Pit University Reception and Dinner *	

Sunday, April 22				
9:00 am - 4:00 pm	Customer Value Workshop * Esterwood, 4th Floor	Coating 101 Course * Gallery, 1st Floor	Stickies Workshop* 1:00-4:00 pm, Grand Couteau, 5th Floor	PaperCon Golf Outing* Lakewood Golf Course
4:30 - 6:00 pm	Coating & Graphic Arts Welcome and Keynote Address <i>Rhythms Ballroom, 2nd Floor</i>			
6:00 - 8:00 pm	Opening Reception in Exhibit Halls (open to all)			

Monday, April 23								
6:30 - 8:00 am	Metso TechQuest Seminar (by invitation only) <i>Borgne, 3rd Floor</i>							
7:30 - 8:30 am	Opening Session Breakfast (open to all)							
8:30 - 10:00 am	Opening Session and Keynote Address <i>Rhythms Ballroom, 2nd Floor</i>							
10:00 - 11:30 am	Executive Panel Discussion <i>Rhythms Ballroom, 2nd Floor</i>							
Program Tracks	PIMA Management <i>Rhythms III, 2nd Floor</i>	Coating <i>Rhythms I&amp;II, 2nd Floor</i>	Inside and Outside the Box <i>Grand D, 5th Floor</i>	Papermaking Quality & Flexibility <i>Grand E, 5th Floor</i>	Control Systems 2012 <i>Borgne, 3rd Floor</i>	RPTA <i>Waterbury, 2nd Floor</i>	Procurement Forum <i>Grand Couteau, 5th Floor</i>	OpEx Reliability Workshop <i>Gallery, 1st Floor</i>
11:30 - 1:30 pm	Lunch in Exhibit Halls New Technology Showcase I (Coating & General Topics) in Mardi Gras Exhibit Hall							
1:30 - 3:00 pm	Future Products for the Pulp and Paper Industry	Coating Best Papers I	Inside and Outside the Box: Keynote and Kick-Off	Advancements in Stock Systems Additives I	Web Imaging and Inspection	Energy Conservation Tools	Procurement Organizational Effectiveness	Progress in Reliability
3:00 - 3:30 pm	Coffee Break							
3:30 - 5:00 pm	Emerging Trends in Procurement	Coating Best Papers II	Keys to Success - Panel of Paperboard Makers	Advancements in Stock Systems Additives II	Millwide Applications	Reliability and Maintenance	Emerging Trends in Procurement	Mill Systems and Equipment Optimization
5:00 - 7:30 pm	Hospitality Reception in Exhibit Halls							
7:00 - 9:00 pm	Young Professionals Mixer <i>Sponsored by Metso</i>							

\* Additional fee required

(YP) - Young Professionals Session

April 22-25 • New Orleans  
**PaperCon 2012**  
 Growing the Future

Tuesday, April 24								
Program Tracks	PIMA Management <i>Rhythms III, 2nd Floor</i>	Coating <i>Rhythms I&amp;II, 2nd Floor</i>	Inside and Outside the Box <i>Grand D, 5th Floor</i>	Papermaking Quality & Flexibility <i>Grand E, 5th Floor</i>	Control Systems 2012 <i>Borgne, 3rd Floor</i>	RPTA <i>Waterbury, 2nd Floor</i>	Sustainability Forum <i>Oak Alley, 4th Floor</i>	OpEx Reliability Workshop <i>Gallery, 1st Floor</i>
8:00 - 10:00 am	It's Never Too Early (or Late) to Become a Safety Leader (YP)	Fundamentals of Coating Strength and New Test Methods	Panel: Optimizing Containerboard Pressing	Fluid Mechanics of Fibrous and Nano-fibrous Suspensions	Paper Machine Optimization and Grade Change	Fiber Quality and Supply	Keynote Speaker and End-Users Panel	Reducing Downtime/ Cutting Costs
10:00 - 10:30 am	Coffee Break - Poster Authors Available							
10:30 - 12:00 pm	Growing Your People (YP)	Best Student Papers	Strength Additives: Lighter, Stronger, Faster	Fundamental Analysis of Fluid Mechanics for Forming	Paper Machine CD Applications	Industry Hot Topics	Sustainable Forestry	Maintenance/ Reliability Training
12:00 - 1:30 pm	Lunch in Exhibit Halls NTS - New Technology Showcase II (Papermaking Topics) in Mardi Gras Exhibit Hall							
1:30 - 3:00 pm	Superintendents Roundtable (YP)	Advances in Coating and Drying Technology	Panel: Mineral Oil Migration From Food Packaging Grades <i>(joint session)</i>	Optimizing Fiber Through Effective Refiner Control	Sheet Quality Measurements	Panel: Mineral Oil Migration From Food Packaging Grades <i>(joint session)</i>	Energy and Emissions	Reliability Panel Discussion
3:00 - 3:30 pm	Coffee Break - Poster Authors Available							
3:30 - 5:00 pm	Superintendents & Papermakers Roundtable <i>(YP - joint session)</i>	Hagemeyer Happy Hour <i>Maurepas, 3rd Floor</i>	Superintendent & Papermaker's Roundtable <i>(YP - joint session)</i>		Control Systems New Technology Showcase		The Best Use of Recycled Fiber	Fixed Equipment Maintenance Optimization (FEMOS)
5:00 - 7:00 pm	Hospitality Reception in Exhibit Halls							
7:00 - 10:00 pm	PaperCon Awards Gala Dinner and Dance * <i>Armstrong Ballroom, 8th Floor</i>							

Wednesday, April 25						
Program Tracks	PIMA Management <i>Rhythms III, 2nd Floor</i>	Coating <i>Rhythms I&amp;II, 2nd Floor</i>	Inside and Outside the Box <i>Grand D, 5th Floor</i>	Papermaking Quality & Flexibility <i>Grand E, 5th Floor</i>	Control Systems 2012 <i>Borgne, 3rd Floor</i>	Essentials of Market Pulp Course* <i>Gallery, 1st Floor</i>
8:00 - 10:00 am	State of the Industry	Advanced Coating Materials	Forming Innovations	Enhancing Fiber Quality and Control	Pulp Mill Measurements	Introduction to Market Pulp
10:00 - 10:30 am	Coffee Break					
10:30 - 12:00 pm	Mill Managers Roundtable	Growing Trends in Calendering	Papermaking Success Stories	Deposit Control	Pulp Mill Control Applications	Varieties of Market Pulp
12:00 - 1:30pm	Lunches available for committee meetings only					
1:30 - 3:00 pm			Packaging Grade Paper Machine Innovations	Advances in Microbial Control	Diagnostics and Analysis	How to Select, Purchase and Maximize the Value of Market Pulps
3:00 - 3:30 pm	Coffee Break					
3:30 - 5:00 pm			Papermaking Track Summary and Wrap-up		Control Systems Program Summary and Wrap-up	Pulp Defects and Other Impacts on Pulp Quality
5:00 - 7:00 pm						
7:00 - 10:00 pm	Control Systems Dinner at Arnaud's *
