Don’t Miss This Great Marketing Opportunity!

PaperCon’s New Technology Showcase (NTS)
Monday - Tuesday, April 27 - 28, 2020 • 12:00pm - 1:30pm
Exhibit Floor, NTS Theater

The NTS allows you access to the entire conference audience with a short commercial presentation dedicated to your newest technology.

Participation will include:
- An 8-minute presentation of your new technology, product, or service without commercialism guidelines/restrictions (TAPPI anti-trust guidelines are still enforced)
- A “read-only” version of your presentation included in the conference online proceedings (optional)
- Company and presenter’s name listed in the conference's program book

The Showcase is an excellent complement to your booth in the PaperCon Exhibit Hall!

Requirements of NTS Application

- Presentation must be for a new product, a new service, or a new application of an existing product or service. Presentations not deemed a new product or service will be rejected
- Provide title, speaker’s name and contact information, company name, and a short abstract to TAPPI by February 28, 2020. Abstracts should be about 75 words or less.
- The presentation can include your company name, trade names, and logos.
- **No pricing information is allowed.** Presenters must adhere to TAPPI antitrust guidelines. Violations could lead to removal from the program during your presentation and exclusion from future TAPPI events.
- Presentations in their entirety, including questions and answers, can only **be 8 minutes long.** A timer will be employed and visible to the speaker.
- **No** commercial literature is to be displayed or distributed during the session.
- Only **one** presentation per company.
- Presenter must be a registered attendee of the conference (speaker rate applies).
- All presentations must be sent in advance for **anti-trust review** and will be loaded onto one TAPPI computer. Your presentation will be included as a PDF in the conference proceedings if sent by the deadline (March 30, 2020).
- Speakers are invited to attend the Speaker’s breakfast on Tuesday, April 28th from 6:30am - 7:45am. This is the final to give any last minute changes of your presentation to TAPPI.
Selection of Presentation Times

The order of the presentations will be determined by random selection. The selection will take place at the TAPPI offices after acceptance of the abstracts. The purpose is to eliminate any preferential treatment or screening of the submissions. The only screening of the submissions will be the determination of a “new” product, service, or application.

All applicants will be notified of their individual time slots immediately following the selection. The resulting showcase schedule will be published in the conference program booklet and on the New Technology Showcase webpage on PaperCon.org.

Am I Eligible?

Exhibitors and non-exhibitors may apply for a spot in the New Technology Showcase. Participation in the Showcase is on a first-come, first-served basis with priority given to exhibitors. There is no guarantee for non-exhibitors. Participation is contingent upon acceptance by the PaperCon Technical Program Committee. Limited space is available. All presenters must be a registered attendee of the conference and are eligible for any speaker rate EXCEPT single day speaker (no charge).
